MICROCOM[®] M

Simplicity, function and value are the core of the MicroCom M system. While simplicity makes MicroCom M a smart choice for less-technical users, price and performance make it an excellent alternative to two-way radios as well as a perfect fit for smaller houses of worship, videographers, corporate events, productions, school activities, and more.

Stop getting by with limited communication. Now is time to improve your communication with full-duplex MicroCom.
